SAVE A VIETNAMESE CHILD WITH EDUCATION
Trusting... Sharing... Enhancing Lives...

Welcome to SAVICE

SAVICE is an acronym for “SAve a VIetnamese Child with Education.”

SAVICE is a non-profit charity organization approved by the US Federal Government under Section 501 (c) (3) of the Internal Revenue Code. SAVICE is not affiliated with any religious or political organization.

MISSION

Our mission is to change a child’s life by creating educational opportunities as an alternative to life without education.

VISION

The vision of SAVICE is to become the first organization in the United States that raises funds for Vietnamese children through Golf Tournaments.

THE SAVICE DIFFERENCE

SAVICE differentiates itself from other charitable organizations by committing and proving to its supporters that 100% of donated funds are transferred directly to the children’s educational programs. Most of its operational funds are being donated separately by its founders, organizers and key contributors.

FUNDRAISING and DISTRIBUTION

SAVICE raises funds through different avenues, but its primary source is through our annual golf tournaments in the United States. The funds are used to assist underprivileged children who are in need of educational support. The proceeds from fundraising events are 100% distributed with full accountability, monitoring and reporting. None of SAVICE founders, volunteers, sponsors or associated members received benefits from this organization.

SAVICE VALUES

Integrity: We pride ourselves in strict moral and ethical principles.

Responsibility: We commit ourselves to being trustworthy, reliable and dependable. We are fully accountable for the disbursement of funds and our actions.

Compassion: We volunteer with a deep passion for children. Our desire to enrich the lives of children through education is propelled by our commitment.
